

An AI-native builder-seller who goes from **zero to first customers faster than anyone**. Co-founded two companies, ships production AI products, and wires the go-to-market systems with code. The rare hybrid: **sells AND builds the automations**.

EXPERIENCE

Cortx — Co-founder & CEO May 2025 – Present · Paris

- Built and shipped a vertical-AI platform for real-estate professionals — **live in production**, deployable on-prem (no client data leaves their infra).
- Dogfooded on our own real-estate holding (KLH): **+€11k of documented tax savings** in year one.
- €0 raised — fully self-funded**. Incubated at ESSEC Ventures / Station F. Pivoted from IA-Opti (AI consulting) to a single-vertical product.

Mister IA — AI Product Builder Apr 2026 · Paris

- Shipped **10 AI products across 9 industries in 19 days** — 314 commits across 16 projects (Next.js, TypeScript, Supabase, Claude API).
- Served French real-estate majors: listed REITs, energy, asset management, advisory.

Offstone — Investor Relations & GTM Engineering Jan – Apr 2026 · Paris

- Built the **entire GTM engine with Claude Code**: 8 Python automations on HubSpot — lead scoring, email sequences, workflow triggers, KPI dashboards (YAML-driven, --dry-run, documented).
- Ran investor onboarding, portfolio strategy, and community. (Real-estate investment platform founded by an Aircall co-founder.)

Aguesseau Capital — Real-Estate Transactions & IR Dec 2025 – Jan 2026 · Paris

- Sold €900k of real estate in one month** — negotiated above asking price; lead qualification, offer tracking, sales reporting. (€100M+ AUM fund.)

KLH Investment — Co-founder Mar 2026 – Present · Paris

- Real-estate holding — **41 units** under management (acquisition, renovation, operations). Operating real capital, not just software; serves as Cortx's live testbed.
